

# ULTIMATE COMPOSITE DECKING CLEANER

With this product, the maintenance of your Composite Decking Boards has never been easier. Using the right cleaning products is key to keeping your Deck spotless. This solution works effectively on both Composite and Timber Decking and is easy to apply.

## SUITABLE FOR

-  **TIMBER DECKING**
-  **COMPOSITE DECKING**
-  **HARD-WEARING OUTDOOR SURFACES**

## CLEANER SPECIFICATIONS

Size	5L
Coverage	Up to 30m <sup>2</sup> per 5 litre

**EASY APPLICATION**

**READY TO USE  
FAST-ACTING  
FOAM FORMULA**

## HOW TO USE

For optimal foaming results when applying to your Decking, use a low-pressure sprayer. Allow the Cleaner to sit for at least 60 minutes, then rinse with tap water and gently scrub any stubborn stains. To prevent the solution from drying out, reapply the Cleaner mix as needed during this time.

Works on both Timber and Composite surfaces

Easily applied

Fast-acting

Covers Up to 30m<sup>2</sup> per 5 litre

Professional foaming cleaner that targets grime and dirt deposits

### FORMULA

A new and fast-acting formula that targets tough stains.

### SURFACES

## YOU WILL ALSO NEED

## PRECAUTIONS

It is important to thoroughly read the product instructions before using this Decking Cleaner. Make sure to prepare the area by clearing any loose debris from the surface of the Deck.

Try out the product on a small area of your Decking. This will allow you to see the effect of the cleaner on your Decking and adjust to fit your Decking requirements.

**PLEASE NOTE:** Cladco Ultimate Decking Cleaner has an active ingredient that can stain fabrics and sensitive materials, so it's important to take care and avoid contact with fabric where possible.

Be aware that the cleaning fluid has the potential to harm vegetation or grass. To prevent this, avoid washing off the Cleaner directly onto garden or lawned areas. If this isn't possible, simply rinse away with clean water to dilute the Cleaner mix.

 **KEEP OUT OF REACH OF CHILDREN.**

Avoid contact with skin and eyes to prevent irritation or damage. Make sure to wash skin thoroughly after handling. Wear protective gloves, clothing, eye protection and face protection where possible to prevent the risk of damage.

## INGREDIENT

EUH031: Contact with acids liberates toxic gas.  
H314: Causes severe skin burns and eye damage.  
H400: Very toxic to aquatic life.
